

# TERRORISM & POLITICAL SABOTAGE INSURANCE

**Terrorism and political violence events are occurring with increasing frequency globally. These types of situations require specialized standalone solutions to fully address the full spectrum of perils that can potentially impact either a company's assets or those of its customers and suppliers.**

McGowan offers worldwide insurance for assets that are exposed to terrorism and political violence attacks. We help companies navigate through dynamic, complex, and ever-changing global threats while considering the implications of legislation such as TRIPRA.
